NORTH HEAD

Join bandicoot watch

CONSERVATION group Earthwatch Australia is calling for locals to join the bandicoot watch program to help protect the population at North Head from extinction. The "Bandicoots on the Brink" conservation project was established last year to protect the endangered long-nosed bandicoots from predators. Volunteer research teams will operate from Saturday, April 2, and run until Thursday, June 2, with a family weekend for children aged 10 and over from April 15 to 17. Call Earthwatch on 03 9682 6828 to register.
