

**WIN!**

THE EXPERIENCE OF A LIFETIME!

**Are you aged between 16 and 17?
Do you have a passion for the environment?
Earthwatch needs you! Win a fully funded place
on an environmental conservation research project.**

Earthwatch is seeking exceptional young people between the ages of 16 and 17, based in the United Kingdom or the Kingdom of Saudi Arabia. Bring your passion and enthusiasm to one of two Earthwatch research projects and help in our mission towards a sustainable environment. This is an opportunity of a lifetime, and could be the start of your journey to become a future environmental leader.

Inspiring the Next Generation:

Apply now to win your fully funded place on one of these two research projects:

WHALES AND DOLPHINS OF THE HEBRIDES, SCOTLAND

27 July – 07 August 2010

Sail the North West coast of Scotland monitoring whale and dolphin populations and behaviour to help protect threatened species.

SAMBURU COMMUNITIES AND WILDLIFE, KENYA

27 July – 05 August 2010

Help the Samburu people as they use and their rich cultural traditions and expertise to protect biodiversity in this stunning African landscape.

Competition
entries must
be received
no later than
5 April 2010

For more information and competition entry form, visit: www.earthwatch.org/nextgeneration
